**ARCHERY - allow 1 hour**

---

1 hour 'team building' session (for up to 24 people) includes instruction and equipment. This session requires all participants to start at the same time due to the 5 min instruction. Guaranteed a great interactive time for all!

**Note:** All participants must stay for the whole session.

**LASER CLAY SHOOTING - allow 1 hour**

---

This is an exciting new sport to the Territory which can be enjoyed by anyone over the age of 15 years. The great thing is it is totally safe, environmentally friendly, dynamic and affordable. Participants use authentic 12 bore shot guns, which have been deactivated to fire an infra-red beam at the launched clays. A computerised scoreboard records the players' scores and generates the sound of the gun blast and the clays shattering. Participants play in teams with different games and levels available for a great challenge. The hour is supervised and run by our friendly staff.

**GOLF DRIVING RANGE - allow 30-45 mins**

---

We have 12 undercover hitting bays which can be shared between 2 people easily in larger groups and a grassed tee area for the more serious golfers. Using the golf driving range is a more relaxed activity and can be conducted at your own pace between other activities.
