If you would like to try our new activity, Laser Clay Shooting, your group of 15 people or more can book it for \$450 per hour. If you have a larger group and need extra time, the charge is a further \$200 per 30 mins.

Laser Clay Shooting is an exciting new sport to the Territory which can be enjoyed by anyone over the age of 15 years (ID may be required). The great thing is that it is totally safe, environmentally friendly, dynamic and affordable. Participants use authentic 12 bore shot guns, which have been de-activated to fire an infra-red beam at the launched clays. A computerised scoreboard records the player's scores and generates the sound of the gun blast and the clays shattering when hit. Participants play in teams with different games and levels available for a great challenge. The hour is supervised and run by our friendly staff.
